

## Canberra Bushwalking Club Incident Report Form

This Incident Report Form is to be filled in by an activity leader and submitted to the Assistant Walks Secretary where:

- An injury requiring (or likely to require) medical attention occurs during the activity; or
- A significant incident occurs during the activity. (A significant incident is one in which there was a need to involve outside authorities; an unanticipated and serious threat to the safety of the party; a lengthy and unexpected delay to the progress of the party; major damage to property; or any other unforeseen event about which the next group walking in the area should be forewarned.)
