Summer trips

Thanks to our currently active leaders who are choosing walks to match the prevailing weather conditions

or postponing/adjusting advertised trips.

January Walk Leaders

29 completed outdoor activities in January. Thanks folks for putting these trips on. Leaders were:

Jenny A, Monika B, Robin C, David D, Henry G, Linda G, Rob H, Diana K, Dick M, Sal O, Terrylea R, Phillip S, Andrew S, Ian T, Ana V, John E.

Training

Recent major training events were Snake Awareness in December (thanks to Allan D) and River Crossing Training (thanks to Linda G and crew). 22 members and guests attended the latter. In addition, Monika B keeps the canyoners practising their skills.

High Country Trips

A popular destination at the moment, with several recent and upcoming walks and social gatherings.

Overseas Trips

Dave A is currently across the ditch with 10 walkers.

Chris Day in Tasmania

Our hammock sleeping member and leader is currently walking north to south in Tasmania, from Penguin to Cockle Creek. At the moment he's on the PCT (no, not the Pacific Crest Trail but the Penguin to Cradle Trail). Chris is solo hiking and is checking in daily with CBC members and family, based on Garry B's excellent remote communications protocol. If you want a cool read, read/subscribe to Chris's blog at <https://offrambling.com/category/rambles/tassie-traverse/>. There are usually daily posts with plenty of photos. He only has around 50 days to go!

Please **contact me** if I can assist you in any way.
