MARCH 2026 LEADERS LETTER

Yuma CBC Activity Leader

Autumn Trips

Hopefully the weather will settle in the coming season. A great time for walking and other activities. Public holidays on:

Monday 9 March – Canberra Day

Friday 3 April, Monday 6 April - Good Friday, Easter Monday

Monday 27 April – ANZAC Day

Daylight Savings

Daylight savings ends on Sunday 5 April.

Wednesday Walks Notifications

Since December last year, Wednesday Walks are notified to CBC members via Bilby and the Sunday evening CBC Upcoming Activities email.

Remind yourself of the details [here](#).

February Activities

25 outdoor activities were completed in February (that's not counting social, presentations and Wednesday Walks run by BBC and NPA that CBC members enjoy).

Active walk leaders were: Dave A, Jenny A, Mike B, Robin C, David D, Henry G, Linda G, Jenny H, Rob H, Stephen M, Sal O, Mark P, Andrew S, Dianna T, John E.

Thanks to each and every one of you. Trips don't happen without your commitment.

PLB Response

A very well coordinated response to a PLB activation interstate by a CBC member recently occurred. Check-ins were being monitored by members in Canberra. A detailed communications plan, based on Garry B's strategy, was in place.

Use of the Acknowledgement of Risks and Obligations Form

You only need to have participants (that includes both members and guests) sign an Acknowledgement of Risks and Obligations form if they have not booked through Bilby. For example, Wednesday Walks and 'just turn up at the start' activities require participant signatures.

Please use the latest version of the AoR&O form, which comes from Bushwalking NSW's review of risk management guidelines and the legal opinion of our form obtained by CBC.

Please **contact me** if I can assist you in any way.
